SIUC's summer camp is a wonderful opportunity for students to study and experience music in a college setting. We offer performances by SIUC faculty members to inspire our musicians, as well as private lessons, technique classes, music theory, and large ensemble rehearsals and performances to help them attain their musical goals. SIUC campers will attend numerous additional professional performances.

The recreational facilities of the University are available for campers' use, as are the air-conditioned residence halls and food services. Professional staff is with the students at all times in the educational and recreational activities and housing offered during their stay. Evening activities may include swimming, bowling, movies, or theater productions, always supervised by our staff. Students who choose to commute to camp are invited to participate in all evening activities.

Applications must be filled out completely and postmarked by **June 3, 2009**. A non-refundable **application deposit of \$50**, which reserves your place in camp and is applied to your total camp fees, must accompany each application. The University cannot be held responsible for lost or stolen items.
